REGISTER NOW

## Moderators Needed!

Are you willing to be a moderator for a session or two at the 2016 Annual Meeting? If so, please email Priscilla at [pnoland@napcrg.org](mailto:pnoland@napcrg.org) by September 7.

*Questions about the NAPCRG Annual Meeting? Contact Jill Haught at [jhaught@napcrg.org](mailto:jhaught@napcrg.org).*

## Travel Stipend Program

New this year, NAPCRG has initiated the trainee stipend program which offers ten \$1,000 stipends for attendance at the 2016 Annual Meeting in Colorado Springs, Colorado, November 12-16. The stipend can be used for expenses required for meeting attendance including transportation, hotel expenses and meals.

*Members in Training*  
FELLOWS, RESIDENTS & STUDENTS

The purpose of such a program is to aid and encourage trainees to attend the annual meeting that may not be able to completely afford it otherwise. NAPCRG aims to foster a nurturing learning environment for all

trainees, hoping that such stipends can provide a more beneficial means of doing so.

To apply for a stipend, you must be in good standing with your medical institution and a current member of NAPCRG. [Apply for a stipend.](#)

## NAPCRG ANNUAL MEETING Trainee Pre-Conference

**MENTORS NEEDED!**

NAPCRG is planning a preconference just for trainees to learn about NAPCRG and talk to NAPCRG members to gain insight into their future career goals and possibilities. In order to make this pre-conference great, we need your help as NAPCRG mentors!

Please fill out the survey below to indicate if you will be able to participate in the event. The pre-conference will be November 12th, 11:30 am - 5:00 pm (*participation in the whole day is not necessary*).

## American Cancer Society Cancer Control Career Development Awards for Primary Care Physicians

The American Cancer Society, the largest private, not-for-profit funding source for cancer research and training, has announced the 2016 Cancer Control Career Development Award for Primary Care Physicians (CCDA). The purpose of this award is to encourage and assist primary care physicians who will pursue academic careers with an emphasis on cancer control. Through the CCDA, the Society seeks to provide opportunities for promising individuals to acquire and enhance knowledge and skills in primary care practice, education, and research activities related to cancer control. Awards are for three years and for up to \$100,000 per year. A maximum of \$10,000 per year for the mentor(s) may be included in the budget.

For more information about the CCDA—including instructions to join the call—consult their web site: [www.cancer.org](http://www.cancer.org). Choose “Explore Research” > “Apply for a Research Grant” > “Grant Types.”

***Application Deadline: October 15, 2016***

**CAREER  
OPPORTUNITIES**

**Senior Scientist in Decision Science and Shared Decision Making, Center for Evidence and Practice Improvement, AHRQ**

Exciting opportunity at the Agency for Healthcare Research and Quality (AHRQ) in the Center for Evidence and Practice Improvement (CEPI) for a senior scientist to provide leadership in conceptualizing, planning, executing and disseminating research programs and projects in the areas of decision science, modeling and shared decision making CEPI (<http://www.ahrq.gov/cpi/centers/cepi/index.html>) generates new knowledge, synthesizes evidence, translates science on what works in health and health care delivery, and catalyzes practice improvement across health care settings.

The successful candidate will have experience in: conducting research in decision science, modeling and/or shared decision making; planning, executing and disseminating research programs in decision science and shared decision making; translating evidence-based findings into tools and products that engage patients, health care professionals, policymakers, and others in clinical decision-making; and/or advancing the methods of decision science and shared decision making.

Applications will be accepted until 9/2/2016 through USAJOBS. To apply:
