

Co-Designing a Better Future: Tools to Enhance Practice Facilitation

Shawn Dimantha
sdimantha@petersonhealthcare.org

Lindsay Gingras
lgingras@petersonhealthcare.org

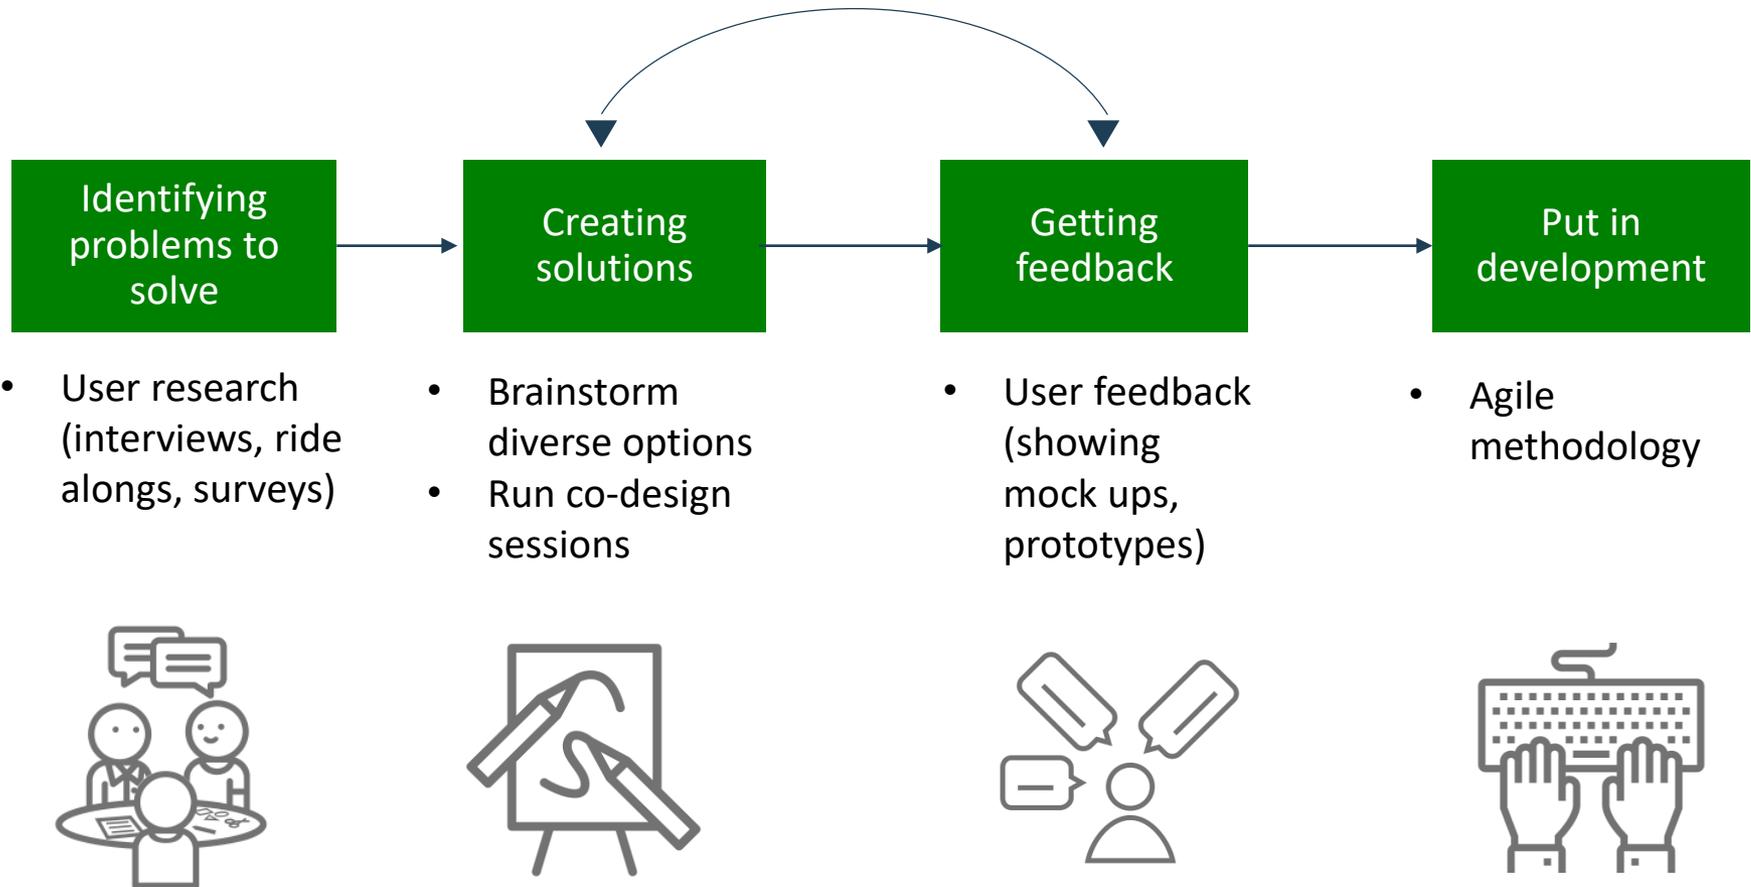

Growing a Partnership between AHEC and Peterson Center on Healthcare

Shared Partnership Goals

Co-Design with Facilitators is Key to Our Process for Developing the Product

Facilitation Pain Points we are Targeting

Scattered tools across practices and initiatives

Limited ways to track progress across practices

Few tools to keep practices engaged in transformation process

Modules Overview

This is an overview of all the modules in progress in your practice.
